PCB Board

Reliable, Rapid, Professional

PCB & PCBA MANUFACTURER

iPCB is a PCB prototype fabrication and PCB assembly factory. We supply high precision multilayer PCB, high frequency PCB, microwave circuit board, Rigid-flex PCB, IC Substrate, HDI PCB board and PCB design, PCBA assembly services. iPCB provides PCB samples, small batch production, and stable production of large quantities of the Printed Circuit Board. PCB Board

iPCB is your partner to support your electronic design and win the market for your products better, faster and lower cost.
